Hampton Bishop

A LEISURELY WALK

BY

George Kerr

(Footpath Officer for Hampton Bishop Parish Council)

From Saint Andrew's Church access Church Lane with Hampton House on your right.
Proceed North and bear right onto Daggie Powells Lane.

At the top of the lane bear right onto the rough track for 75m approx. and then bear left through the metal self closing gate onto the stank adjacent to the River Lugg.

Follow the river upstream, through metal gate and bear right over the concrete bridge over the brook via the metal farm gate.

You will see a brick bridge to your left, keep the river on your right and cross using the bridge.
You are now in Hampton Meadow.

The river will now be on your left, bear right under the overhead power cables and you see a wooden farm gate in the middle distance adjacent to hedge line.

This marks the boundary of the Parish. Feel free to explore the meadow.

Reverse the walk to return to the church.

Time Taken from church to brick bridge 20 mins approx at a leisurely pace.
